### INTRODUCTION

Welcome to Cornerstone Healthcare Training Company, LLC (“Cornerstone”). Our online courses are designed to be educational, accessible, and affordable. Cornerstone was established in 2010 when an industry veteran foresaw the changes that initiative I-1163 would bring to caregiver training in Washington State.

Cornerstone has been a pioneer in online curriculum within the residential care community by finding a way to accommodate those working day or night, near or far, all while backed by passionate instructors.

#### Preface

This student handbook was developed to introduce you to Cornerstone and help you become familiar with some of our working guidelines. This document is provided to supply general information about our company and its policies.

We reserve the right to modify, revoke, suspend, terminate, or change any or all policies, or procedures, in whole or in part, at any time with or without notice. However, any such changes must be in writing and will be made available through our Learning Management System (“LMS”) to all students to ensure awareness of the new policies and procedures.

The policies and procedures in this document are for general reference only and are subject to management discretion in specific situations. All previously issued Handbooks or documents and any inconsistent policies are superseded.

# 2024 Student Handbook & Course Catalog

## 1. STUDENT HANDBOOK

### 1.1 Hours of Operation

Office Hours: Monday through Friday, 9:00am to 5:00pm Pacific Time

General Course Questions: During office hours, the best option for a rapid response to any question(s) you may have is to email our team monitored email address: [contact@cornerstonehealthcaretraining.com](mailto:contact@cornerstonehealthcaretraining.com).

If your questions are after hours and are urgent in nature, it is best to text or call our main office number: (206) 673-2919 as email is not monitored regularly when our office is closed.

### 1.2 Enrollment Periods

Cornerstone offers courses that are open for enrollment at any time. Some of our courses are self-paced. Others are live virtual instruction and offer a schedule of sessions on a variety of dates and time. If you are working as a caregiver, you do have a deadline determined by the DOH, DSHS, SEIU and/or your employer for completing your training. Cornerstone does not monitor these deadlines; it is the student's responsibility to know your own deadline. All courses expire one year from registration date.

### 1.3 Transcripts and Certificates

Once you have established an online account and have registered for a course, it will be listed on your Dashboard when you login. You have unlimited access to your online classroom account and may print out PDF certificates of completion once you have completed a course. Cornerstone does not mail or email certificates. It is the student's responsibility to download their own certificate upon completion of a course and provide their employer with a copy. Cornerstone will maintain any and all transcripts for a period of not less than fifty(50) years.

### 1.4 Offices

Cornerstone Healthcare Training Company, LLC (administrative staff)

Street Address: 1140 10th St, Ste 303, Bellingham, WA 98225

## 2024 Student Handbook & Course Catalog

### 1.5 Owners, Personnel, and Licensure

Cornerstone Healthcare Training Company, LLC:

- Robin VanHying, RN, MSN, NHA: Owner & Chief Executive Officer
- Dave Tinker: Chief Operating Officer
- Kim Flack: Accounting Manager
- Maria Piper: Billing Coordinator
- Ryan Hagel: Customer Success Specialist
- Mike Anderson: Instructional Designer
- Sonda Earley: Instructor
- Jocelyn Wagner: Instructor
- Vanessa Castellanos: Instructor
- Josie Gonzalez: Customer Success Specialist
- Noah Atchley: Service Delivery Manager
- Meagan Brown: Customer Success Specialist
- Leslie Byron: Customer Success Specialist
- Claire Alford: Customer Success Specialist
- Taylor Iverson: Customer Success Specialist
- Omar Franco: Customer Success Specialist
- J Johnston: Chief Customer Officer
- Diane Giesy: VP of Sales
- April Tinker: Business Development
- Katarina Mirkovic Arsic: Marketing Coordinator

Cornerstone is licensed as a Private Vocational School with Washington State and is contracted as a “Community Instructor” with the WA Department of Social and Health Services. Our certificate courses and CE offerings have been approved by the WA DSHS. Our assigned program number is #0174 which will be on each certificate.

Cornerstone’s owner, Robin VanHying, RN, MSN, started the company in 2010 in anticipation of I-1163 recognizing the need for an online option for DSHS approved training. Robin has served as a nurse in long-term skilled and residential care for more than 30 years. She is a licensed nursing home and assisted living administrator, has owned an adult family home, and directed a home care agency. Her mother received care in a residential care setting. It’s our goal to provide quality training that will develop the kind of caregivers Robin wants caring for her family.

## 2024 Student Handbook & Course Catalog

### 1.6 Anti-Discrimination Policy

Cornerstone embraces diversity and does not discriminate on the basis of race, creed, color, national origin, sex, veteran or military status, sexual orientation, gender identity, or the presence of any sensory, mental or physical disability, or the use of a trained guide dog or service animal by a person with a disability. Cornerstone acknowledges that information pertaining to an applicant's disability is voluntary and confidential. If this information is presented, Cornerstone will reasonably attempt to provide an accommodation to overcome the effects of the limitation of the qualified applicant. All inquiries about accommodations should be made to the CEO upon registration to the program. Some programs require medical documentation because of the rigors of curriculum, and some require minimum functional abilities.

### 1.7 Minimum System Requirements

On-demand, self-paced classes may be taken on any device with a web browser and stable internet connection. Live-virtual classes may only be taken on a desktop or laptop computer with a working webcam and microphone. Support is not available for Chromebooks in live-virtual classes; they are not recommended. Smartphones, tablets, or other devices are not permitted in the live-virtual classroom.

- **Devices/Browsers:** Refer to this link for an up-to-date system requirements list: <https://www.digitalchalk.com/resources/kb/digitalchalk-minimum-system-recommendations>
- **Internet Connection:** reliable DSL or wireless connection. Minimum of 2 mbps download bandwidth.
- **Equipment:** You will need a working webcam and microphone to participate in live-virtual classes. This is mandatory and you will be asked to leave the class if you do not have a working camera and microphone.

### 1.8 Grading System

Some assignments and course elements will be assigned a percentage(%) correct and require 80% to pass. If your answer is incorrect or not satisfactory the course and/or the Instructor will give you directions on how to proceed. You will be given the opportunity to try again. If you do not meet the minimum standard passing rate, a phone counseling session with an Instructor may be scheduled.

Throughout the courses you will encounter intermittent knowledge checks to determine your understanding of the content. At the end of competency courses (Nurse Delegation; Nurse Delegation Focus on Diabetes; Mental Health Level 1; Dementia Level 1;

## 2024 Student Handbook & Course Catalog

Diabetes Level 1; TBI Level 1; and Substance Use Disorder Level 1, you will take a final exam after attending class. For these exams, you are given two attempts to pass. If you do not pass after your second attempt, you are required to purchase and complete the course again before testing again. You will have access to course materials from the LMS to review at any time for up to 365 days after registration.

### 1.9 Code of Conduct

Cornerstone reserves the right to expel any student who is verbally combative, deemed disrespectful by the management, or who engages in behavior or conduct deemed inappropriate. Foul language (written or verbal) will not be tolerated.

### Live Virtual Classes

Instructors reserve the right to remove any students demonstrating inappropriate behavior. Students arriving more than 10 minutes late will not be allowed entrance and will be asked to reschedule. Leaving class early is not acceptable and students who do so will need to reschedule and repeat the entire class session. If you do not respond to the instructor after repeated attempts, you will be removed from the class and no credit will be given. You will also be removed if you do not have a working microphone and video camera showing a live feed of yourself. A \$25 no-show fee will be imposed if you do not attend a scheduled class or reschedule within 48 hours. The \$25 no-show fee will also be imposed if you are removed from class by the instructor, unless you are removed for tech problems beyond your control and our tech support staff cannot resolve it with you during class that day. You (or your employer) must pay the \$25 no-show fee before rescheduling for another live session. The following conduct is unacceptable and will not be tolerated:

- All forms of bias including race, religion, ethnicity, gender, disability, national origin, veteran status, and creed as demonstrated through verbal and/or written communication and/or physical acts.
- Sexual harassment including creating a hostile environment and coercing an individual to perform sexual favors in return for something.
- All types of proven dishonesty, including cheating, plagiarism, knowingly furnishing false information to the institution, forgery, and alteration or use of institution documents with intent to defraud.
- Intentional disruption or obstruction of teaching, administration, disciplinary proceedings, public meetings and programs, or other school activities.
- Theft or damage to the school or class premises or damage to the property of a member of the school community on the school premises.

## 2024 Student Handbook & Course Catalog

- Student acts of criminal behavior that place any person in imminent danger are prohibited on all school grounds and class locations.
- Violation of the law on school premises or class locations. This includes, but is not limited to, the use of alcoholic beverages or controlled dangerous substances.
- Violation of published school policies.
- Participating in activities unrelated to coursework, such as driving, sleeping, cleaning, cooking, smoking/vaping, talking with others off-camera, watching TV, browsing the internet, using your phone.
- Performing work duties, whether direct caregiving or other tasks. DSHS prohibits you from being on a scheduled work assignment during live-virtual classes.

Expelled students can expect that we will refund the balance paid for classes that have not been completed and will make alternate suggestions as to where the student may take the remaining classes for certification through another provider. Once a student has been dismissed from the Cornerstone program, they must reapply in writing directly to the CEO stating why they should be allowed to return to the training program. The CEO will respond in writing within five(5) working days declaring any such action taken. Nothing in this policy prevents the student from contacting the Workforce Board at (360) 709-4600 at any time with a concern or complaint.

### **1.10 Right to Refer and Refund**

Cornerstone makes every effort to assist ESL students and students who are new to online learning and using computers. However, we cannot offer one-on-one tutoring or one-on-one computer lessons. The student is expected to possess basic computer skills and be able to navigate the online classroom with minimal assistance from our staff. In the rare circumstance that a student's need for assistance is greater than what our staff feels they can provide; Cornerstone reserves the right to refer the student to alternative learning options and will provide a full refund for fee(s) paid.

### **1.11 Interpreters**

Cornerstone does not provide interpreter services.

### **1.12 Facilities**

All courses are currently offered online. CB200b is an optional in-person skills training course which is available in select locations in the state.

## 2024 Student Handbook & Course Catalog

### 1.13 Religious Accommodation

Cornerstone will make good faith efforts to provide reasonable religious accommodations to students who have religious practices or beliefs that conflict with a scheduled course/program requirement. Students requesting a religious accommodation should make the request, in writing, directly to the CEO with as much advance notice as possible. The student shall work with the CEO to determine a schedule for making up missed work and adhere to the advance notice of cancellation as required by our billing policy.

### 1.14 Students with Disabilities

Cornerstone provides reasonable accommodations to qualified students with disabilities to afford an opportunity for their full participation in our educational courses. Although Cornerstone is not required by law to fundamentally alter the nature of its academic or other programs or services, we will provide reasonable accommodations to those students requesting accommodation. Requests can be emailed to the CEO at: [contact@cornerstonehealthcaretraining.com](mailto:contact@cornerstonehealthcaretraining.com)

### 1.15 Billing Policy

Cornerstone offers the opportunity to invoice organizations employing fifteen(15) or more caregivers. Please contact our office by calling: (206) 673-2919 or emailing: [contact@cornerstonehealthcaretraining.com](mailto:contact@cornerstonehealthcaretraining.com) to request a billing account or speak with a representative regarding any questions you may have.

Training registration requests for organizations that have been approved for billing will be invoiced in full upon registration of the course(s), not completion. All charges incurred will be made payable to Cornerstone Healthcare Training via invoices where payment is due upon receipt. All unpaid invoices exceeding forty-five(45) days from the date of generation will constitute a breach of contract and course access for all of your organization's students will be subject to immediate suspension.

Organizations with established billing accounts should use the Training Request form located here to request course registrations for their caregivers.

### 1.16 Course Cancellation and Refund Policy

**ALL CANCELLATION & REFUND REQUESTS MUST BE SUBMITTED VIA EMAIL TO: [CONTACT@CORNERSTONEHEALTHCARETRAINING.COM](mailto:CONTACT@CORNERSTONEHEALTHCARETRAINING.COM)**

## 2024 Student Handbook & Course Catalog

### COURSE CANCELLATIONS WITHIN FOURTEEN(14) DAYS OF REGISTRATION:

- There is no charge for unopened courses that are canceled within fourteen(14) days of registration, all tuition fees paid or billed are fully refundable (except a \$15 Skills Lab Kit fee where applicable).
- Cornerstone will refund all money paid if Purchaser cancels within fourteen(14) days following enrollment provided the student has not opened their courses.
- **NOTE: For those enrolled in Core Basic, there is a non-refundable fee of \$15 for the Skills Lab Kit that is mailed to the student upon registration.**

### COURSE CANCELLATIONS BETWEEN FOURTEEN(14) TO EIGHTY-NINE(89) DAYS OF REGISTRATION:

- Cornerstone will retain an established registration fee equal to ten(10) percent of the total tuition cost, or \$100, whichever is less, if Purchaser cancels more than fourteen(14) days following enrollment, but not more than eighty-nine(89) days following enrollment, and the student has not opened or begun their course(s). A “registration fee” is any fee charged by Cornerstone to process student applications and establish a student record system.
- If training is terminated after the student has opened and started training, Cornerstone will retain a percentage of the total tuition as articulated within the following table:

<b>If the student completes this amount of their training course(s) or lesson plan</b>	<b>Cornerstone Healthcare Training will keep this percentage of the tuition cost</b>
Up to 10%	10%
10% but less than 25%	25%
25% but less than 50%	50%
More than 50%	100%

- **NOTE: CB200 Virtual Skills Labs - Once a student has submitted their first skill video and it has been graded, this course will be considered ‘Completed’ within the framework of our refund policy.** All other courses will not count as ‘Completed’ courses within the framework of this policy until the student has fully finished the course.

### COURSE CANCELLATIONS AFTER NINETY(90) DAYS OF REGISTRATION:

- No refunds will be granted ninety(90) days after the original enrollment date regardless of the student’s course status - no exceptions.

## 2024 Student Handbook & Course Catalog

- CB200 Skills Lab Kit Fee:
  - Upon registration, students will be mailed a “Skills Kit” that will include supplies needed for practice that are not commonly found household items.
  - The \$15 cost of kit materials and shipping is included in the tuition for the CB200 course. This \$15 fee is non-refundable and will be deducted from any refund owed to Purchaser relating to the CB200 course.
  - Any requests for replacement kits will incur an additional \$15 charge.
- Course fees are non-transferable.
  - Cornerstone is required to keep detailed records on each enrolled student and a clear payment history is part of that requirement. Training fees paid cannot be transferred to a new student/employee. Upon request, Cornerstone will disclose any training fees paid. This process is enforced to ensure transparency and ethics as required by the WorkForce Board of Washington.
- Live-Virtual Class No-Show Fee:
  - A \$25 no-show fee will be collected if a student misses a scheduled live-virtual class or do not reschedule/cancel the class within 48 hours. The no-show fee will also be collected for students who are removed from class for breaking rules of conduct or device requirements, and must be paid before scheduling a different live-virtual class to attend.
  - If the caregiver is paying for their own tuition, they will be able to pay for the no-show fee through the course catalog. If the employer is paying for the caregiver's tuition, the employer will be billed for this fee, or they can pay with credit card through the course catalog. Caregivers are encouraged to check with their employer regarding this process as some employers initiate a payroll deduction to recover the cost of such fees.

### 1.17 Additional Details

**NOTE: All courses expire one year (365 days) from the original registration date.**

Organizations employing less than fifteen(15) caregivers must pay by credit card at the time of registration utilizing the self-registration option within our online classroom.

Cornerstone has no financial agreements in place with the individual caregivers. We will not bill individual students.

Caregivers who have questions about employer sponsored course registrations should check with their employer about their specific policies as Cornerstone has no access or knowledge of policies or agreements between employers and caregivers.

Caregivers who enroll in courses independently of an employer must pay by credit or debit card in advance for their course purchases.

## 2024 Student Handbook & Course Catalog

We cannot bill for individual Core Basic modules. If you wish to purchase Core Basic modules individually you will need to use the self-registration option within the Catalog and pay by credit/debit card.

We enforce a strict forty-eight (48) hour cancellation/reschedule policy for all In-Person Skills Lab sessions, as we have many students currently on wait lists for Lab seats. If a caregiver does not show up, or cancels/reschedules a Skills Lab less than forty-eight (48) hours prior to the start of their registered Lab, a \$100 fee will be imposed. If the caregiver is paying for their own tuition, they will be emailed an invoice that can be paid online. If the employer is paying for the caregiver's tuition, the employer will be billed for this fee. Caregivers are encouraged to check with their employer regarding this process as some employers initiate a payroll deduction to recover the cost of such fees.

### **1.18 Financial Aid**

Every effort has been given to make our classes affordable and easy to access.

If for any reason you do not have a credit card or the ability to make a payment through our online system, please contact our office and we will make arrangements for you to send a check, money order, or ACH direct deposit.

If you are not currently employed, we encourage you to reach out to employers in your community. Demand for caregivers is high and many LTC providers subsidize training costs or offer reimbursement programs.

### **1.19 Placement Assistance**

At this time, we do not offer placement assistance though you may contact us at any time to discuss what openings or opportunities we may be aware of.

We also encourage students and employers to post employment opportunities and/or seeking employment ads on our Facebook page.

## **2. COURSE CATALOG**

### **2.1 HCA Training Certificate (75-HRS)**

To get a 75-hour HCA Training Certificate from Cornerstone you need to complete three required components:

- Orientation and Safety Training (5 hours)
- Population Specific Training (12-16 hours)
- Core Basic Training (58 hours)

## 2024 Student Handbook & Course Catalog

### 2.2 HCA Learning Plans

We offer twelve (12) different HCA learning plans designed to simplify your path to achieving a 75-hour HCA Training Certificate:

- **HCA Learning Plan 1 - \$664**
  - OS101 Orientation and Safety Training (5 hrs)
  - CB100 Core Basic Training (58 hrs)
  - CC401 Mental Health Level 1 Specialty Training (8 hrs)
  - CC402 Dementia Level 1 Specialty Training (8 hrs)
  
- **HCA Learning Plan 1b - \$714**
  - OS101 Orientation and Safety Training (5 hrs)
  - CB100 Core Basic Training with In-Person Skills Labs (58 hrs)
  - CC401 Mental Health Level 1 Specialty Training (8 hrs)
  - CC402 Dementia Level 1 Specialty Training (8 hrs)
  
- **HCA Learning Plan 2 - \$553**
  - OS101 Orientation and Safety Training (5 hrs)
  - CB100 Core Basic Training (58 hrs)
  - CC404 Nurse Delegation (9 hrs)
  - CC405 Nurse Delegation Focus on Diabetes (3 hrs)
  
- **HCA Learning Plan 2b - \$603**
  - OS101 Orientation and Safety Training (5 hrs)
  - CB100 Core Basic Training with In-Person Skills Lab (58 hrs)
  - CC404 Nurse Delegation (9 hrs)
  - CC405 Nurse Delegation Focus on Diabetes (3 hrs)
  
- **HCA Learning Plan 3 - \$644**
  - CB100 Core Basic Training (58 hrs)
  - CC401 Mental Health Level 1 Specialty Training (8 hrs)
  - CC402 Dementia Level 1 Specialty Training (8 hrs)
  
- **HCA Learning Plan 3b - \$694**
  - CB100 Core Basic Training with In-Person Skills Lab (58 hrs)
  - CC401 Mental Health Level 1 Specialty Training (8 hrs)
  - CC402 Dementia Level 1 Specialty Training (8 hrs)

## 2024 Student Handbook & Course Catalog

- **HCA Learning Plan 4 - \$533**
  - CB100 Core Basic Training (58 hrs)
  - CC404 Nurse Delegation (9 hrs)
  - CC405 Nurse Delegation Focus on Diabetes (3 hrs)
  
- **HCA Learning Plan 4b - \$583**
  - CB100 Core Basic Training with In-Person Skills Labs (58 hrs)
  - CC404 Nurse Delegation (9 hrs)
  - CC405 Nurse Delegation Focus on Diabetes (3 hrs)
  
- **HCA Learning Plan 5 - \$428**
  - OS101 Orientation and Safety Training (5 hrs)
  - CB100 Core Basic Training (58 hrs)
  
- **HCA Learning Plan 5b - \$478**
  - OS101 Orientation and Safety Training (5 hrs)
  - CB100 Core Basic Training with In-Person Skills Labs (58 hrs)
  
- **HCA Learning Plan 6 - \$408**
  - CB100 Core Basic Training (58 hrs)
  
- **HCA Learning Plan 6b - \$458**
  - CB100 Core Basic Training with In-Person Skills Labs (58 hrs)

### 2.3 Orientation & Safety Training (5 hrs)

We offer OS101 Orientation and Safety Training (5 hrs) at \$20. We will accept Orientation and Safety Training certificates from other DSHS approved trainers to satisfy this requirement.

### 2.4 Population Specific Training (12 hrs minimum)

You can think of this section as similar to “college electives” as there are a variety of courses you can take to make up your 26-hour minimum requirement. Only certain courses are approved for Population Specific training so be sure to confirm that the course(s) you choose meet this requirement.

## 2024 Student Handbook & Course Catalog

We offer two bundles and three stand-alone Population Specific courses that meet the 12-hour minimum requirements. We will also accept Population Specific certificates from other DSHS approved trainers to satisfy this requirement.

If you have questions about which courses to take for your Population Specific component of this training, be sure to let us know.

- **Population Specific Option 1 - \$236**
  - CC401 Dementia Level 1 (8 hrs)
  - CC402 Mental Health Level 1 (8 hrs)

This option is suggested for long-term care workers employed through an assisted living facility or an adult family home.

CC401 and CC402 are WA DSHS approved Specialty Education courses and are virtual instructor-led training courses with final exams. To participate you must have a strong internet connection, a webcam, a microphone, and access to a laptop or desktop computer. You will be dismissed from class if you are not visible live via webcam and cannot speak and be heard by microphone. Group work is required in these classes and cannot be done if you cannot be seen and heard.

- **Population Specific Option 2 - \$125**
  - CC404 | Nurse Delegation (9 hrs)
  - CC405 | Nurse Delegation Focus on Diabetes (3 hrs)

This option is suggested for long-term care workers employed with home care agencies.

CC404 and CC405 are WA DSHS approved and are on-demand (self-paced) eLearning courses with final exams. To participate you must have a strong internet connection.

- **Stand-alone Population Specific courses:**
  - CC406 | Diabetes Level 1 (8 hrs) - \$118
    - This course is intended for long-term care workers (LTCW), home care aides (HCA), nursing assistants (NAR/NAC), registered nurses (RN) and other healthcare professionals who need this

## 2024 Student Handbook & Course Catalog

- required training for their HCA training certification and/or support clients with diabetes.
- This course is WA DSHS approved for 8 hours of Diabetes Level 1 Specialty Training, Population Specific Training and Continuing Education credit.
  - CC407 | TBI Level 1 (8 hrs) - \$118
    - This course is intended for long-term care workers (LTCW), home care aides (HCA), nursing assistants (NAR/NAC), registered nurses (RN) and other healthcare professionals who need this required training for their HCA training certification and/or support clients living with TBI.
    - This course is WA DSHS approved for 8 hours of TBI level 1 Specialty Training, Population Specific Training and Continuing Education credit.
  - CC408 | Substance Use Disorder Level 1 (8 hrs) - \$118
    - This course is intended for long-term care workers (LTCW), home care aides (HCA), nursing assistants (NAR/NAC), registered nurses (RN) and other healthcare professionals who need this required training for their HCA training certification and/or support clients living with substance use disorder.
    - This course is WA DSHS approved for 8 hours of Substance Use Disorder level 1 Specialty Training, Population Specific Training and Continuing Education credit.

### 2.5 Core Basic Training (58 hours) - \$408

We offer WA DSHS approved Core Basic Training. It is broken into two types of training, online training and skills labs. We will accept Core Basic Training certificates from other DSHS approved trainers to satisfy this requirement.

- **CB100 Core Basic Online Training (38 hours)**
  - CB101 Introduction and The Client (3 hrs) - \$15 (On-Demand eLearning)
  - CB102 Person-Centered Care (3 hrs) - \$15 (On-Demand eLearning)
  - CB103 Communication (3 hrs) - \$15 (On-Demand eLearning)
  - CB104 Client's Rights (3 hrs) - \$15 (On-Demand eLearning)
  - CB105 Caregiver Responsibilities (3 hrs) - \$15 (On-Demand eLearning)
  - CB106 Infection Control (3 hrs) - \$15 (On-Demand eLearning)
  - CB107 Infectious Diseases (3 hrs) - \$15 (On-Demand eLearning)
  - CB108 Mobility + Skin Care (3 hrs) - \$15 (On-Demand eLearning)
  - CB109 Body Care (3 hrs) - \$15 (On-Demand eLearning)

## 2024 Student Handbook & Course Catalog

- CB110 Nutrition (3 hrs) - \$15 (On-Demand eLearning)
- CB111 The Process of Elimination (3 hrs) - \$15 (On-Demand eLearning)
- CB112 Medication + Self-Directed Care (3 hrs) - \$15 (On-Demand eLearning)
- CB113 Self-Care and Grief & Loss (3 hrs) - \$30 (On-Demand eLearning)
- CB114 Review and Final Exam (3 hrs) - \$0 (On-Demand eLearning)
  - The fee for CB114 is included in CB113. This is due to the automatic release of CB114 when all subsequent Core Basic courses are complete.

- **CB200 Core Basic Skills Lab (16 hours) - Virtual Class - \$198**

Core Basic 200 Virtual Skills Labs provides you the opportunity to practice personal care skills in the safety and comfort of your own home at your own pace.

This virtual skills lab course contains video demonstrations of skills, downloadable resources, a student discussion board, and live virtual skills labs support with an instructor. You are required to video record yourself performing skills and upload the video for review by an instructor. The course is designed to be self-paced and should be spread over the duration of your training.

This course is WA DSHS approved for 16 hours of Core Basic training.

- Video Recording Requirements:
  - You are required to video record yourself demonstrating personal care skills and upload them for review by one of our instructors. The videos you submit in this course are confidential. We will not disclose your video to anyone other than the instructors grading your video or the DSHS without your prior written authorization. If you are shy, your face does not need to show in the recording, but we must see you from the shoulders down so we can observe the skill you are performing. Your client's face does not need to show either, except on skills that require a face such as oral care and shaving.
  - You cannot "pretend" to do the skills. You must actually perform the skills using soap and water, etc. You may need to be creative for some of the supplies (such as obtaining a denture), but the skill itself needs to be fully performed or you will be asked to record and submit a new video.

## 2024 Student Handbook & Course Catalog

- Technical Requirements:
  - A video recording device - You can use your smartphone, tablet, or video camera. If you do not have access to a video recording device, ask a friend for help or contact your employer.
  - Skills supplies - Before you start filming, make sure you have everything you need listed on the Skill Supplies List and Procedure Checklist documents (available for download in the course). We will mail you a “Skills Kit” full of things that you might not have around your home to make this a little easier!
  - A friend, family member or coworker to act as a “client” - Some skills will require you to perform a task on a real person. For these skills, you will need to find a helpful friend to act as the “client” for you! **DO NOT use one of your clients for this assignment. Filming of clients is expressly prohibited.**
  - A friend, family member, or coworker to film you on a video recording device - This is optional, but it may make the filming process a little easier. Alternatively, you can set the video recording device on a table or on a stand.
  
- Learning Goals:
  - In the skills lab, you will not only be shown how to perform the skills tested during the HCA state examination, but you will also have the opportunity to practice the skills at home. The goal of the skills lab is for you to learn and demonstrate the personal care tasks listed on the DSHS HCA Skills Checklist.
  
- Skills Labs Release of Liability:
  - Cornerstone assumes no liability or responsibility for any injury sustained by a student during a Skills Lab. Students will be expected to practice and perform all skills on the HCA Skills Checklist which include modalities such as bending, squatting, lifting, transferring, etc. Participation in lab sessions and practicing these skills is entirely at your own risk.
  
- **CB200b Core Basic Skills Lab(16 hours) - In-Person Class - \$248**

Core Basic 200 in-person training provides hands-on training of all personal care skills in an in-person classroom setting. This training is completed over the course of two (2) days, in select locations around the state.

## 2024 Student Handbook & Course Catalog

- In-Person training classes are scheduled and posted on our website 1-2 months in advance. Students can register for their preferred dates online. Cornerstone will process student scheduling requests within 24 business hours (Monday-Friday). After successful registration, students receive an email confirmation and reminders which contain location and timing details.
- After both days of skills training have been completed, attendance will be recorded and the class will show as completed.
- We enforce a strict 48 hour cancellation policy, as we have many students currently on wait lists for lab seats. If a student does not show up or cancel/reschedule their Skills Lab with less than 48 hours notice, there will be a \$100 charge, payable via invoice sent by email.

### 2.6 Time Sensitive Licensure Information for Home Care Aides:

**NOTE: Cornerstone does not manage the HCA licensure process. It is your (the student) and/or your employer's responsibility to manage this process and adhere to the deadlines.**

All long-term care workers (LTCWs) hired on or after January 7, 2012, must become certified as a Home Care Aide within 200 days of their date of hire. *Please visit the Department of Health's website for more information about exemptions.*

Washington State WAC I-1163 states if you are currently employed as a caregiver you will have the following deadlines to meet:

- Date of Hire - Begin HCA licensing process! You have a lot to do in the first two weeks you are hired! You need to 1) Complete the HCA licensing application, 2) Complete a DSHS fingerprint-based background check, 3) Pay application fees and testing fees.
- 14 Days from Hire – Deadline to send HCA Application to the Department of Health.
- 120 Days from Hire – Deadline to complete the 75-hr Training Certificate. If not complete, you may no longer have direct contact with residents.
- 200 Days from Hire – Deadline to pass the HCA state examination and become a Certified HCA.
- **NOTE: The HCA State Examination is not offered by Cornerstone. You will arrange your state exam with the WA Dept of Health.** The DOH contracts with a company called Prometric to deliver your state exam. The results of your HCA State Examination are transmitted to the Department of Health. The Department

## 2024 Student Handbook & Course Catalog

of Health will then issue your HCA Certificate. If you do not have your license within 200 days of hire, you may no longer provide care for residents.

- **NOTE: ESL students may apply to the DOH for a provisional certificate which extends the deadline to obtain the HCA certificate to 260 days from date of hire, however, this must be requested at the time of the initial application. You may not request an extension later.**

### 2.7 Outside Certificate Equivalents

Cornerstone may accept outside certificates from DSHS approved trainers to be applied to our 75-hour course. Our HCA staff reviews all submitted copies of outside certificates. Please allow 24-72 hours for review and approval of all outside certificates.

### 2.8 Continuing Education Courses

- CE301 Falls and Fall Prevention (1 hr) - \$15
  - Prevent client falls and respond appropriately when they happen.
  - This course is WA DSHS approved for 1 hour of continuing education credit.
- CE302 Assisting a Client Living with Chronic Pain (2 hrs) - \$25
  - Discover techniques for supporting clients who live with chronic pain.
  - This course is WA DSHS approved for 2 hours of continuing education credit.
